" 91. Commercial Road, Peckham, July 12. · Dear Sir.—I am a noor hand at expressing my feelings, but I should like to thank you. Your le songes have done wonders in relieving my terrible cough. Since I had the operation of 'Trachestomy (the same as the late Emperor of Germany, and unlike him, thank God, I am still alive) performed at St.

Bartholomew's Hospital, no one could possibly have had a more violent cough; it was so bad at times that it quite exhausted me. The mucus, which was very copious and hard, has been softened, and I have been able to get rid of it without difficulty.—I am, sir, yours truly, J. HILL." UTTERLY UNRIVALLED. UTTERLY UNRIVALLED.

The above speaks for itself. From strict inquiry t appears that the benefit from using Keating's Cough Lozenges is understated. The operation was a specially severe one, and was performed by the specialist, Dr. H. T. Butlin, of St. Bartholomew's Hospital. Since the operation the only means of relief is the use of these Lozenges. So successful are they that one affords immediate benefit, although

from the nature of the case the throat irritation is: WEIGHT IN GOLD. WEIGHT IN GOLD: Under date Sept. 8th, 1801, Mr. Hill again writes : I should long since have been dead; but for your Lozengan-they are worth their weight in gold. I will

gladly see and toll anyone what a splandid cough Keating's Cough Lozonges, the unrivalled remedy for COUGHS, HOARSENESS, and THROAT TROUBLES, are said in Battley bear womists. [1445]
